Description

Design and Layout

- **Exterior Design:** The MY5 is designed with a modern and sporty look, with sleek lines and an elevated helm station. The catamaran structure offers stability in choppy waters and provides spacious outdoor areas. The flybridge includes comfortable seating, a helm station, and an optional hardtop for sun protection.
- **Interior:** Known for maximizing space, the MY5's interior is spacious and filled with natural light. The salon features panoramic windows, a large seating area, a well-equipped galley, and an open plan that seamlessly connects to the outdoor cockpit.
- **Cabins: 3 Cabins** ideal for families or small groups. Each cabin is designed with comfort in mind, featuring generous space, ample storage, and stylish finishes. Performance and Efficiency

The twin hull design ensures fuel efficiency and stability, providing a smooth and stable ride with reduced fuel consumption compared to similar monohulled motor yachts. The twin-engine setup enhances manoeuvrability, making it easy to handle for both novice and experienced boaters.
